COPYRIGHT LICENSE

1. **License**. In consideration of acceptance of the Manuscript listed above ("Work") for publication, the undersigned author(s) hereby grant The Tire Society, and successors in interest of The Tire Society, a nonexclusive, irrevocable, perpetual, royalty-free, world-wide license to use, sell, distribute, copy, advertise, lecture upon, and publish in all forms and media (whether now known or hereafter developed), throughout the world, in all languages, for the full term of copyright of the Work ("License").
2. **Work for Hire**. Where the Work is (i) a work prepared by an employee within the scope of his or her employment or (ii) a work specially ordered or commissioned for use, it is deemed a "work for hire." In the case of a "work for hire," the employer or other person for whom the work was prepared is considered the author, and, unless the parties have expressly agreed otherwise in a written instrument signed by them, owns all of the rights comprised in the copyright. Thus, if the Work is a "work for hire" the employer must execute this Agreement.

3. **Warranty**. The undersigned author(s) or employer (if this is a "work made for hire") warrant and represent that (i) the undersigned author(s) are the owners of the Work or the undersigned employer (if

this is a "work made for hire") is the owner of the work for purposes of the U.S. Copyright Act and applicable federal and state laws affecting proprietary rights; (ii) that the undersigned author(s) or employer (if this is a "work made for hire") have the authority to license the copyright to the Work and to execute this Agreement, and; (iii) that to the best of its knowledge, the Work does not infringe any copyright or other proprietary right of any third party.

4. **Limitation of Liability.** The Society and its officers, governors, directors, employees and agents (collectively, "Tire Society Entities") are not liable for any claim of any nature whatsoever based on loss or injury arising out of or relating to (i) errors, omissions, interruptions or inaccuracies in our publication of the provided materials (ii) any services or materials available through The Society, (iii) any conduct of any third parties, including members of The Society, or (iv) your breach of any provision of these terms. Under no circumstances will the Tire Society Entities be liable for any direct, indirect, incidental, consequential, special, punitive, or exemplary damages, including for lost revenues or profits, loss of business or loss of data (even if the Tire Society Entities have been made aware of the possibility of those damages), arising out of or in connection with (a) your use of The Society's site, (b) your use of services available through The Society's site, or (c) these terms, regardless of the theory of liability, whether tort (including negligence), contract or any other legal or equitable theory. Some states do not allow the limitation of liability for these kinds of damages, so these limitations or exclusions may not apply to you.
5. **Indemnity** The undersigned author(s) agrees to defend, indemnify, and hold The Tire Society, and its officers, directors, agents, and employees, harmless against all costs, expenses, and losses (including reasonable attorney fees and costs) incurred through claims of third parties against The Tire Society based on a breach by the undersigned author(s) of any representation and warranty made in this Agreement as well as for any third-party claim for infringement of its intellectual property rights based on The Tire Society's use of the Work.
6. **Miscellaneous.** This Agreement constitutes the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior agreements relating thereto. This Agreement is governed by the laws of the state of Ohio other than those relating to conflicts of laws. The unenforceability of a provision of this Agreement will not affect the enforceability of any other provision of this Agreement. This Agreement does not confer any rights on a person not a party to this Agreement except that this Agreement will be binding upon, and will inure to the benefit of, a successor of a party to this Agreement, or an assignee. This Agreement may be executed in separate counterparts with different parties signing different counterparts so long as each party signs at least one counterpart. A party's execution of this Agreement, or any other document relating to the transactions to be consummated under this Agreement, may be evidenced by facsimile transmission.
7. **Presentation.** If material based on this Work is provided for presentation at The Tire Society's Annual Meeting & Conference on Tire Science and Technology, the presentation material, unless stated below, also becomes part of the Work. As a part of the Work the presentation material may be distributed as part of the conference proceedings. If you do not agree to include your presentation materials, please select the box below:
